Academic Resource Center / SI Leader

June 2023 - Present: pablo.mogrovejo@ucr.edu

As a Supplemental Instruction leader, I was in charge of a small tutoring session for one class, where I would facilitate activities and make the students realize what they know and what they don't know.

- Worked with a small group of students
- Created my own lesson plans
- Practiced creating group/individual educational activities

ACM at UCR / Web Developer

January 2024 - Present

With the ACM chapter at UCR, I was put on a team of students that created the websites for organizations at UCR

- Familiar with React, Node, and Javascript
- Worked with a group of students under a team lead
- In charge of my own work and deadlines

Davis Senior High / Link Leader

August 2019

Main responsibility included introducing incoming freshmen to Davis Senior High. This was accomplished through games, social activities, and school information.

- Familiar with group education dynamics
- Great at icebreakers
- Cultivated initiative and independent planning

Skills

Willing and able to learn any new software, environment, or process

Comfortable in teams and collaborative settings

Experienced in customer service/professional relations

Education

UC Riverside / Graduating June 2025 -- 3.92 GPA
